CHRISTMAS DINNER DOES HONOR TO FOOTBALL AND SOCCER TEAMS

WHITTLES, GOODHART ELECTED

CAPTAINS; PRESIDENT COWLEY

HEADS LIST OF SPEAKERS

The Governor Dummer Academy's annual Christmas Dinner, held in honor of the football and soccer teams, took place this evening in the Lang Gymnasium. Head football coach Arthur W. Sager announced that Lee K. Whittles of Glastonbury, Connecticut, had been selected by the lettermen to lead the eleven next Fall, and Mr. Howard J. Navins, soccer coach, reported that David T. Goodhart of Syracuse, New York, had been elected captain of the soccer team.

Whittles throughout the season was one of the outstanding backs on the football team. Possessed of a great deal of speed and a shifty, deceptive style of running, the new captain raised havoc with opposing defenses in many a game. He is also a fine defensive player and a hard, rugged tackler.

The newly elected soccer leader, Goodhart, plays either of the half-back positions on the team. He has proved himself to be a hard worker and a cool steady man on the field, and he should make a fine captain, for he is an exceptionally good team player.

The Toastmaster of the Dinner was Mr. Robert Cutler of Boston. Mr. Cutler in 1936-37 was Chairman of the Community Fund Campaign in Boston, and at that time he succeeded in raising the largest amount ever received from a community fund in any city in the United States. Although a Boston lawyer, Mr. Cutler annually spends a good part of the year working for community projects.

The feature speaker of the evening was Dr. William H. Cowley, recently elected President of Hamilton College in Clinton, New York. Joseph D. Hoague '36, star Colgate football player, also spoke on the program.

Mr. Sager awarded the football letters to the following players: Linemen: Hamilton Bates of Chester, Connecticut; O. King Dowse of Winnetka, Illinois; John H. Dyer of Newburyport; John D. Eshelman of Lancaster,

Pennsylvania; John E. Griffith of Denver, Colorado; S. Gordon Johndroe, Jr. of Concord; E. Robert Little, Jr. of Boxford; Donald W. Mortimer of Bronxville, New York; Richard B. Rowe of Saco, Maine; and Edwin S. Sheffield of Newport, Rhode Island.

Backs: Alfred Hutchinson of Danvers; Frederick P. Jellison of Newbury; Edward B. Mulcahy of Monson; Theodore P. Munro of Waban, Lee K. Whittles of Glastonbury, Connecticut; and Robert W. Nutter of Sanford, Maine, captain of the 1939 team.

Managerial letters were awarded to Roland Will of Rochester, New York, and Alan T. Lockard of Snyder, New York.

More Briefly

Mr. Ernest A. Randall, father of Eric Randall, recently presented to the school a large plaster relief map of Europe. The map is very carefully worked and shows mountain ranges, rivers, lakes, and other physical features of the European continent.

* * *

Mr. Kirk has in the last two weeks turned his Ambrose House group into a squad of ditch-diggers. Not only has he accomplished the almost unbelievable task of getting the Ambrose boys to do manual labor, but he is also creating a new skating pond in the pasture below Ambrose House.

Every afternoon James Dodge, Gordon Johndroe, Norton Cushman, Lewis Harrower, John Hunter, Edward Mulcahy, Charles McDowell, and Andrew Bailey may be seen toiling enthusiastically with pick and shovel on Mr. Kirk's project. The pond is to be 150 feet long and 130 feet wide, and at the rate the dirt is flying, the rink should be completed by Christmas Vacation.

* * *

The annual campaign for Red Cross memberships under the direction of Clark Shepard, chairman of the committee, was successful in raising \$135. Each dormitory was canvassed and each member of the faculty, and the results show an increase of \$7 over the total received from last year's campaign.

Vespers

November 5: The Reverend Wallace Anderson of the State Street Congregational Church, Portland, Maine.

November 12: The Reverend William Patton of the Glen Ridge Congregational Church, Glen Ridge, New Jersey.

November 19: The Reverend C. Leslie Glenn of Christ Church, Cambridge.

November 26: The Reverend Sumner Brown of St. Mary's Church, Barnstable.

December 3: The Reverend Richard Cartmell of Ascension Memorial Church, Ipswich.

The Reverend Mr. Anderson showed in his Vesper's sermon the fallacy in the popular belief that rules and regulations make good men. He commented that, since lives of men are governed by inner desires and external contacts, mere excellent moral tenets are not sufficient to assume honorable actions. Internal strength of character, in addition to energizing relationships resulting in a respect for the opinions of worthy friends, is more essential in making a good man than all rules and regulations put together.

* * *

The Reverend William Patton spoke clearly at Vespers on the concept that life, though hard and testing, can be made the most of and can be conquered if we are prepared for all eventualities and are willing to battle our way through. He illustrated his sermon by an old Arabian tale and by the preparedness of Captain Rostrum of the "Carpathia" in bringing aid after the "Titanic" disaster.

Mr. Patton summed up the essentials for surmounting the barriers of life as mastery over ourselves, command over knowledge, and a knowledge of the causes of events occurring in the age in which we live.

* * *

A forceful talk was given at Vespers by the Reverend Leslie Glenn on the relationship of the church to war and pacifism. Mr. Glenn pointed out that no matter how good and pure a life we lead, we are all fundamentally guilty for wars and for the other evils of modern society. Since we are all a part of modern society and responsible for its existence, both in its good aspects and its bad, it is not up to us as Christians to criticize a man's desire to be either a soldier or pacifist, no matter how his ideas differ from our own.

NOVEMBER 28 IS SET AS THE THANKSGIVING DATE IN THIS, THE OLDEST KNOWN PROCLAMATION. IT WAS ISSUED BY LIEUTENANT GOVERNOR WILLIAM DUMMER OF MASSACHUSETTS IN 1723.

GOVERNOR DUMMER DISCOVERED TO HAVE SET DATE OF THANKSGIVING

In view of all the controversy this year over the date of Thanksgiving, it is interesting to note that William Dummer while Lieutenant Governor of Massachusetts in 1723 issued the first Thanksgiving Proclamation and set the date on November 28, the last Thursday in the month.

To ascertain the authenticity of the proclamation considerable research was done. With the aid of Mr. Charles Taylor, Jr., one of the Trustees of the Academy, the document was checked upon by the Archives Division of the Office of the Secretary of the Commonwealth and by the Massachusetts Historical Society. It was finally established that, not only is the document authentic, but that Governor Dummer issued three others between 1723 and 1726.

The original of the first proclamation, which is shown on the preceding page, is now on exhibition in the Pilgrim Hall Museum at Plymouth, Massachusetts, which has permanent possession of it.

STUDENT BODY AND FACULTY ENJOY DEERFIELD HOSPITALITY

One of the feature events of the Fall Term is the annual visit to Deerfield to witness the football and soccer games with Governor Dummer's traditional rival. This year almost the entire student body and faculty made the trip on November 16.

The soccer game was played in the morning, followed by a buffet lunch for the Governor Dummer visitors, and then, of course, in the afternoon came the football clash. The colorful atmosphere which surrounds this game is almost of as much interest as the game itself. The fine Deerfield band paraded before the teams came on the field and during the half grouped in front of the Governors' grandstand to play the school songs. The cheering section in response sang "Sons of Deerfield." After the game the boys and faculty were entertained at various receptions before the buses left for home.

SEVEN GRADUATES MEET TO PLAN ORGANIZATION OF ALUMNI GROUP

The first steps towards the actual formation of an Alumni Association were taken when seven graduates of the school met recently with Mr. Eames in the Mansion House to discuss plans and ideas for such an organization.

Those present at the meeting were Howard J. Navins and John Young of the Class of 1931, Richard L. Segler '34, Morris P. Frost. Oliver Andrews, and William B. Williamson of the Class of 1935, and Russell A. Simons '38. Mr. Navins was chosen Chairman of this committee.

ALUMNI

One of the most important divisions of any school is its alumni, but this fact is often lost sight of by the undergraduates. The students are apt to feel that they are the most important factors in the school; actually this is not true.

We usually think of the alumni as those graduates who, because of their interest in the Academy, donate money or make outright gifts to the school. While such contributions form a very important aspect of the functions of the alumni, they are only a part of the services rendered.

Other services less generally known contributed by the alumni are interesting boys in coming to Governor Dummer, establishing the school's reputation in colleges and business, and aiding undergraduates in their choice of colleges or in securing business positions.

Proof of the interest of the alumni is the large number of graduates who have already visited here since the beginning of school in the fall, and Governor Dummer has a right to be proud of the spirit and love which these men show towards the Academy.

At the annual alumni meeting last year a plan was put under discussion for the formation of an alumni association which would serve to unify the graduates and coordinate any action which they might wish to take in regard to the school.

It is fitting that we of the student body realize how greatly handicapped Governor Dummer would be without the generous donations of time and effort and without the spirit and interest of the alumni. H. C. C., Jr.

VESPERS

(Continued from page 2)

The need of the world for Christianity and Christian principles was the subject of the Reverend Mr. Brown's Vesper talk. He stated that life is meaningless without a knowledge of God and without the spirit of God as it was imparted to us by Jesus. He cited the experience of St. Paul, who, after being buffeted about because of his own mistakes, reached the conclusion that he must "know nothing save Jesus Christ, and Him crucified". Throughout the centuries thousands have found that this viewpoint serves not to nullify knowledge, but to put it in the correct light and bring out its real meaning.

* * *

The Reverend Mr. Cartmell in his Vesper talk discussed the various attitudes which are taken toward the masses of humanity. He mentioned as common points of view the distorted perspectives of the social snob, of the big industrialist, and of the directors of totalitarian nations. In each case the masses are either scorned or are treated as merely a cog in a machine. Mr. Cartmell also pointed out that we all have the tendency to ignore groups of humanity removed from us and that we concern ourselves only with those groups close at hand.

Mr. Cartmell concluded by saying that in accordance with the teachings of Christ we should endeavour to aid all humanity and should make it our aim to save human lives in any way we are able.

MORE BRIEFLY

Mr. Gordon Fisher has recently given the school a sum of money for the purchase of a set of Linguaphone language records in French. In behalf of the school, the ARCHON wishes to thank Mr. Fisher for his kind gift, which should prove invaluable for the study of pronunciation in the various French courses.

SPIRITED GOVERNORS' ELEVEN LOSE CLOSE GAME TO FASTER, HEAVIER DEERFIELD TEAM

THE 1939 GOVERNOR DUMMER VARSITY FOOTBALL SQUAD

COURAGEOUS GOVERNORS' ELEVEN EDGED 7 TO 6 BY DEERFIELD

A greatly outweighed Governor Dummer eleven fought its traditional rivals, Deerfield, almost to a standstill through four periods of hard-played, tense, smart football, finally being nosed out 7 to 6. The game was played at Deerfield before a large crowd on November 16.

All the scoring took place in the first half. The Governors counted first well on in the opening canto. After a blocked kick gave Deerfield the initial break of the game, the Green and White forces started a 30 yard march down the field, featuring a mixture of bucks, spinners, and passes. A last down toss was intercepted on the Governors' 20 by Ted Munro, who, behind a wall of blockers, raced up the right sideline, outstripped several Deerfield tacklers, and was finally hauled down on the 13 yard line. On the very next play, Ed Mulcahy dove off tackle, twisted away, and dashed into the end zone standing up. Al Hutchinson's dropkick was blocked; and the Governors went on the defensive in an attempt to hold their slim lead.

But the advantage proved short-lived. A beautiful quick kick set the Red and White back on their heels. Hutchinson booted out

well but Deerfield roared back through Governors' territory with a pretty end run, two pile driving bucks, and a well executed pass, setting the ball on the Red and White 5 yard stripe. The first smash through the line netted four yards; two more plays, however, found the ball still on the 1 yard line. A fourth-down pass was batted down, and Hutchinson kicked out sensationally to midfield. This time, however, the Deerfield power was too much for the courageous Governors, and their march was not halted before Pescosolido had crossed the last stripe on an end sweep. The half ended soon after the kick for the extra point split the uprights.

The second half found the breath-taking pace slackening. After a see-saw third period, the light Governors' line, which had yielded only slight gains up to this time, tired under the constant battering of the heavier Deerfield team and was no longer able to hold them as before. Through the entire last quarter Deerfield held the ball and constantly threatened to shake a man loose. The team held, however, and Deerfield could not quite get to the goal line.

Individual Red and White stars were numerous. Mulcahy bucked hard and stood out defensively. Munro quarterbacked cleverly besides setting up the Governors' score. The

DESPITE FINE PLAY SOCCER ELEVEN
LOSES 3 TO 2 TO DEERFIELD TEAM

Exhibiting the best brand of soccer they had shown all season, the Governor Dummer booters lost to a fine Deerfield eleven 3 to 2 in an overtime game at Deerfield on November 16. The Deerfield team consisted of the varsity with the exception of the senior regulars.

The Governors started very slowly in the first period and made little or no progress against the Green and White defense. The forwards could not seem to keep control of the ball, and they constantly missed opportunities to carry the attack. Deerfield, however, wasted no time in getting under way. The home team easily worked through the Governors' backs and drove the ball into the meshes for the initial counter.

The second stanza found the Governors making a real comeback. Deerfield continued to press into their opponents' territory, however, and it was not long before they had notched their second score. Although disheartened by this apparently prohibitive lead, the Governors came out fighting in the third quarter. The game then took a new turn as Dick Carnrick fired a real power shot into the nets, and Dave Jarvis shortly afterwards followed with another brilliant tally to tie up the ball game.

The final canto passed with the two rivals playing on even terms.

The overtime period proved to be a very thrilling affair, and in an exciting scrimmage in front of the Governors' net a Deerfield man drilled a loose ball into the twine. This gave the game to Deerfield 3 to 2.

Although the whole team played exceptionally well, Sanford Young and Captain Bob Lyle in their last game for the Governors were outstanding.

The Governor Dummer lineup: McDowell, ol; Jarvis, il; Carnrick, cf; Paul Morgan, ir; Collins, or; Lyle (capt.), chb; des Cognets, lhb; Klaussen, rhb; J. Dodge, lfb; Stanger, rfb; and Young, g.

"A" SQUAD DEFEATS HAMPTON
FOR SECOND TIME THIS SEASON

For the second time this season the "A" squad took the measure of Hampton Academy, winning 26 to 0. The game was played at Hampton on November 11 before a large crowd.

MOSES BROWN DEFEATED FIRST
TIME IN FOUR YEARS 31 TO 0

The Red and White grid warriors soundly trounced an outplayed Moses Brown eleven 31 to 0 at Providence on November 4. The Governors outplayed their traditional rivals in every department of the game, rolling up five touchdowns even though every member of the squad got a chance to play.

This first victory in four years over Moses Brown was made even sweeter for the Governors by the fact that they showed themselves ready in every respect for the important games ahead. The passing and running attack clicked well, and the Moses Brown offense was completely smothered by the excellent play of the Governor Dummer line.

The passing, kicking, and running of Al Hutchinson was outstanding, while the powerful bucking and tackling of Ed Mulcahy was devastating. The entire line functioned almost perfectly in throttling the opponents' slants.

SPECTACULAR PASSING GIVES "B"
SQUAD VICTORY IN FINAL GAME

In the final contest of the season the "B" squad defeated Nahant Junior High School 19 to 13 in a spectacular six man game on Morse Field on November 13.

The "B" squad scored twice in the first half, Hal Knapp making the first and Brent Kuhnle the second on a pass from Henry Skeelee. Nahant came back in the second half to make two touchdowns and an extra point and go ahead 13 to 12 with two minutes left in the game. The Governors then turned on a passing attack which finally netted a score on a heave from the 20 yard line, Skeelee to Kuhnle, in the final minute of play.

EASY VICTORY MARKS END OF
SUCCESSFUL "A" SQUAD SEASON

The "A" squad closed a successful season by trimming a weak Newburyport High School Second Team 26 to 7 on Morse Field.

Captain John Benting, who has been a spectacular player on the "A" squad for three years, did some outstanding running.

The starting "A" squad lineup was as follows: Bowker, le; Cushman, lt; Page, lg; Webster, c; Torrey, rg; Williamson, rt; Coffin, re; Benting, qb; Little, W., lhb; Nissen, rhb; Greenwood, fb.

LYNN CLASSICAL HOLDS SOCCER ELEVEN TO SCORELESS TIE GAME

Playing an unexpectedly fine Lynn Classical eleven, the Governor Dummer booters were held to a scoreless tie on Whipple Field.

In the first period the visitors got the jump by outplaying the Red and White. They missed several setup scoring chances and also showed a tight defense which kept the Governors from penetrating into scoring territory..

The Governors came back strong in the second quarter and managed on occasion to break through the Lynn defense, but they were unable to make scoring kicks.

After the half both teams displayed a lot of drive, and although the attacks of both functioned well, the defensive work was so strong that neither side was able to convert their attempts into a goal. In the last quarter, scoring, of course, was the main objective of both clubs. The Governors were held off, by the fine Lynn backs, and the Red and White defense was efficient enough to keep the enemy from getting any tallies.

Following the fourth quarter there were two exciting overtimes, and each eleven had several chances which were nullified by excellent goal-tending.

As the score would indicate, the entire game was marked by superb defensive play on the part of both teams. As usual Fred Stanger, Jim Dodge, and Sandy Young played in outstanding fashion.

GOVERNOR DUMMER BOOTERS TIE SURPRISING TABOR ACADEMY TEAM

The Governor Dummer soccer team traveled all the way to Marion on November 11 only to be held to a scoreless tie by a surprising Tabor Academy eleven.

In the first period Tabor played the Governors even. Their ball handling, although not quite as good as that of the Red and White, was accomplished enough to give the backs an exciting workout.

The Governors began to dominate the play in the second stanza, and the ball was in Tabor territory most of the time. Numerous scoring chances were offered, but the team could not quite seem able to get the ball into the nets.

Opening the third period with a real inspired drive, the Governors drove in constantly on the Tabor goalie, and the ball went everywhere around the net except into scoring territory. The fourth quarter was a duplicate of the third as the Red and White held the upper hand at all times. Tabor did break through once or twice but was thwarted by the defensive work of Jim Dodge and Sandy Young.

It was a real disappointment to the Governors not to take this game, for despite the excellent offensive work of Dick Carnrick, Captain Bob Lyle, and Teddy McDowell, the team could not score.

SOCCER TEAM IN ACTION ON WHIPPLE FIELD

VARSITY FOOTBALL TEAM EASILY TAKES TABOR ACADEMY ELEVEN

The Governor Dummer eleven rang up its third victory of the season on November 11 at South Byfield by easily downing Tabor Academy 12 to 0.

The first score came unexpectedly on a brilliant 50 yard runback of a punt by Lee Whittles midway through the opening chapter. This speedy halfback gathered in a high Tabor kick from deep in enemy territory, raced for the sidelines, picked up some good blocking, and eluded at least three would-be tacklers on his way to a touchdown. The attempt for the extra point failed.

Soon after the ensuing kickoff the Red and White began to drive just as it had before the opening tally. As the period ended, Whittles raced off tackle but was nailed after picking up 25 yards. On the following play he dashed for 15 more through the same hole down to the Tabor 20 yard line. This threat was temporarily halted when a pretty spot pass to Captain Bob Nutter for a touchdown was called back because of a penalty.

Tabor, as was the case through most of the battle, could make little yardage through the Governors' line and was forced to boot. The Red and White then swept 60 yards down the field for another six points in a march sparked by a pretty catch and run by Don Mortimer at the end of a Whittles pass. The drive was climaxed when Randy Morris, sophomore substitute fullback, bulled over from the 14 yard marker straight through the middle of the Tabor team.

FIRST HALF SURGE ENABLES "B" SQUAD TO DEFEAT EMERSON SCHOOL

Breaking into the win column for the first time, the "B" squad defeated Emerson School 14 to 7 on Morse Field on November 7.

In the first half the "B" squad was far superior to Emerson. Early in the first period the eleven scored on a long pass from Henry Skeelee to Eric Randall, and another touchdown was added in the second period.

The Governor Dummer lineup: Randall, le; Knapp, lt; Hill, lg; Kuhnle, c; Fisher, rg; Garfield, rt; Leinbach, re; Skeelee, qb; Sim, rhb; Titus, lhb; Meriam, fb; Substitutes: Mannville, Smith.

Alumni Sports Notes

1936: Walter Loeman was captain of the Bowdoin team for the 1939 season. For the past three years he has been a mainstay at guard, and he climaxed his career by being chosen first string all-Maine guard. Arthur Sampson, noted football writer, also called him one of the best college guards he saw this year, barring none.

* * *

1936: At Williams, Red Batten earned the position of number one quarterback on the varsity at the beginning of the football campaign, but in the latter part of the season he was handicapped severely by injuries.

* * *

1937: Joe Hoague had another outstanding season as fullback at Colgate this fall. He was the backbone of the team both on the defense and offense, and his kicking in particular pulled Colgate out of many a tough spot. Recognition for his fine football was given him as he received honorable mention as a backfield man on the Associated Press all-Eastern college team.

* * *

1937: Also playing for Colgate was Ed Donnelly, who has been at end for the past two years. An indication of his ability this fall is given by the fact that he was chosen as the first string end on Cornell's all-opponent team.

* * *

1938: Niles Perkins proved to be a sophomore sensation on the Bowdoin varsity during the current season. His outstanding achievement was to kick two field goals against Colby, one of which was 42 yards long, the longest field goal made during the season in New England.

1939: John Koslowski, captain of the 1938 football team here, quarterbacked the Dartmouth Freshmen in their very successful season. His accurate placekicking earned him quite a reputation, and his points after touch-down gave Dartmouth a victory in several close contests.

Collins of Worcester; Louis des Cognets, 3d, of Worcester; James D. Dodge of Newbury; David T. Goodhart of Syracuse, New York; David S. Hastings of Syracuse, New York; David S.
